GENERAL INFORMATION

The Polisportiva Politecnico di Milano SSD, affiliated with Unione Sportiva ACLI, organizes **the 11th edition of the PolimiRun Milano competitive race**, a race event on national road on a 10 Km route.

MEETING POINT: Sunday 27 September 2026 **from 8:00** am at the starting Village, Bovisa Campus

START: Sunday 27 September 2026 at **8:30** am from Bovisa Campus

FINISH LINE: Sunday 27 September 2026 from 9.00 am at arrival Village, Leonardo Campus

AWARD CEREMONY: starting from 10:00 am at PolimiRun arrival Village, Leonardo Campus

The 10 km point-to-point route (not officially certified) will start from the Politecnico di Milano – Bovisa Campus and finish at the Leonardo Campus in Milan.

However, the organizing committee reserves the right to modify the route in accordance with any requests from the competent authorities or for particular weather conditions after informing the Unione Sportiva ACLI.

TIME LIMIT: 1 h and 40 minutes.

PARTICIPATION RULES

1. All Italian and foreign athletes aged 18 years (turned on the day of the race) and over, holders of a Unione Sportiva ACLI card or a FIDAL affiliated EPS card or a FIDAL card or a card of a company affiliated with FIDAL based on the current agreement, are admitted. The male and female categories are: Juniores, Promesse, Seniores, Master SF/SM 35-40-45- 50-55-60-65 - 70-75 and over.
2. Italian and foreign athletes aged 20 years and over in possession of a valid medical certificate for competitive sports activity specific for athletics with a Runcard (valid as sports insurance and permission to compete) or with a Runcard-EPS (registered with a Sports Promotion Organization from the Athletics Section) are admitted.
3. All Italian and foreign athletes not registered in Italy who hold membership cards from clubs affiliated with Foreign Athletics Federations recognized by World Athletics are admitted. When registering they will have to present the self-certification of possession of the card recognized by World Athletics. However, the original self-certification must be signed when collecting the bib.
4. Participation is subject to the presentation of a valid medical certificate of competitive fitness specific for athletics and valid in Italy, which must be shown to the organizers in original and kept, in copy, in the records of the organizing company. Any athletes registered with FIDAL for

the current year are excluded from this obligation.

Please note:

The RUNCARD is renewable. The RUNCARD shows its expiration. If on the day of the event, during the check of the card, this one will be found expired, the athlete CANNOT take part to the race, unless s/he shows the receipt of the renewal made online.

However, their participation is subject to submission of a medical certificate for competitive sports, for light athletics and valid in Italy. They can also show a medical certificate issued in their own country, but in compliance with the diagnostic tests required by Italian law in order to carry out competitive sports activities, that must be shown in original, and a copy must be left to the Organizers.

In accordance with the provisions of the law in force (Ministerial Decree 18/02/1982) those who practice competitive sports must check, periodically and in advance, their specific suitability for sport. The Italian legislation requires that the interested parties must undergo the following health checks:

- Medical check-up
- Complete urine examination
- Electrocardiogram at rest and after exercise
- Spirography

All exam statements and results must be authentic or certified as a true copy of the original.

A copy of the medical certificate will be stored with the proceedings of the Organizing Company of each event to which the athlete with the "RUNCARD" takes part. These athletes will be regularly entered in the race ranking, but they will not be able to enjoy reimbursements, bonuses or access the prize money and/or generic gift vouchers.

Participants in the events may be subject to doping control. They are also subject to the provisions of Article 25 of *federal organizational rules*, if already subject to disciplinary suspension.

Please note:

- Athletes with card from other FEDERATIONS (e.g.: Triathlon) cannot take part.
- Athletes with card of Companies from Organization for Sports Promotion, recognized by CONI but not affiliated with FIDAL, cannot participate.
- Medical certificates for competitive sports like running, walking, marathon, triathlon, half marathon etc. are not valid for the purpose of this competition.
- Medical certificates for other competitive Sports are not valid for this competition.
- MOUNTAIN AND TRAIL RUNCARD holders cannot participate.

Please note: Only residents from outside the region will be able to collect the racing bib, the chip and the race pack on the morning of 27 September 2026, from 7:30 am to 8:15 am at the Village located in the Bovisa Campus.

The organization reserves the right to change dates and times for bib collection. Any changes will be communicated by email to each registered participant by 21 September 2026.

At the time of kit pickup, you will receive a jersey in the size you selected during registration. Under no circumstances can the jersey received be exchanged for a different size. For this reason, we invite you to check the available size guide.

The race kit can be collected only and exclusively in the places, days and times indicated.

Together with the racing bib, every registered person will have: PolimiRun Milano official T-shirt, pins to apply the bib number to the T-shirt, ticket to be attached by pins to the bag during its storage and sponsors products.

BAG CUSTODY SERVICE

Together with the racing bib, every participant will get a bag and a ticket (showing the bib number) that must be applied by pins to the bag to take advantage of the bag storage service.

The provided bag, duly numbered by the application of the ticket, will be the only bag accepted by the organization for the bag storage service and it can be delivered to the storage areas set up in the places, on the days and at the times when the bib collection service is active and Sunday 27 September 2026 from 7:00 am to 8:00 am at the arrival Village at Leonardo Campus.

START

The start of the Competitive race will be at 8:30 from Bovisa Campus.

The starting methods will be communicated via the official website of PolimiRun Milano 26 and via email to all those registered in the days preceding the race.

Changes in the starting time will be possible in case of television needs, safety on the route or other indications from the Institutions.

TIMEKEEPING DEVICE

The chronometric measurement will be performed by a “tracker” chip. The time of athletes that,

in any way, will tamper with the chip will not be taken and they will not be shown in the race ranking. Arrival times will be available at the end of the race on the official website of the event.

AWARD CEREMONY

The prizes will consist of technical material and the athletes will be rewarded as follows

TEAM CHALLENGE FOR POLITECNICO DI MILANO STUDENTS

The students of Politecnico di Milano, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by bachelor degree courses, master degree courses, PhD and, in aggregate form, by first level university masters, second level university masters and university specialization courses. The teams are made up of students of Politecnico di Milan belonging to the aforementioned courses.

At the time of registration, each student must indicate, using the registration form, their bachelor degree course, master degree course, PhD or if she/he is a first level university master student or a second level university master student or a specialization course student.

Everyone will compete to define the largest student team; the winning team will be identified using a mathematical formula that takes into account the number of subscribers and the number of participants who have run for each team based on the actual number of registered students of

the bachelor degree course, master's degree course, Phd or, in aggregate form, first level university master's degree, second level university master's degree or university specialization course. The mathematical formula identified is the following:

(number of subscribers in the team / total number of registered students in the reference course) x (number of participants in the team / number of subscribers in the team)

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded. In the event of a further tie, the team with the highest number of participants will be awarded.

A recognition will also be awarded to the team with the highest number of participants overall. It is specified that "participants" means the people who walk through the starting line.

TEAM CHALLENGE FOR POLITECNICO DI MILANO STAFF

The professors and employees of Politecnico di Milano, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by Departments, Areas and Poli Territoriali (Piacenza, Cremona, Mantova and Lecco). The teams are made up of Politecnico di Milano professors/employees belonging to the aforementioned structures.

At the time of registration, each professor/employee must indicate, using the registration form, their Department, Area or Polo Territoriale.

Everyone will compete to define the largest staff team; the winning team will be identified using a mathematical formula that takes into account the number of subscribers and the number of participants who have run for each team based on the actual number of people from that Department, Area or Polo Territoriale.

The mathematical formula identified is the following:

(number of subscribers in the team / total number of people in the reference structure) x (number of participants in the team / number of subscribers in the team)

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded. In the event of a further tie, the team with the highest number of participants will be awarded.

A recognition will also be awarded to the team with the highest number of participants overall.

It is specified that "participants" means the people who walk through the starting line.

CHALLENGE FOR POLIMIRUN MILANO 26 COMPANIES TEAMS

The employees of the PolimiRun Milano 26 companies teams, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by the companies themselves and are made up of their employees.

At the time of registration, each employee must indicate his/her company using the registration form.

Everyone will compete to define the largest partner company team; the winning team will be the company with the higher number of participants.

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded.

It is specified that "participants" means the people who walk through the starting line.

The minimum number of members per company team is 10 people.

TEAM CHALLENGE FOR POLIMIRUN MILANO 26 SPONSOR COMPANIES

The employees of the PolimiRun Milano 26 sponsor companies, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by the companies themselves and are made up of their employees.

At the time of registration, each employee must indicate his/her company using the registration form.

Everyone will compete to define the largest partner company team; the winning team will be the company with the higher number of participants.

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded.

It is specified that "participants" means the people who walk through the starting line.

NON-PERFORMANCE

If the race is canceled and / or, in any case, not held for reasons not dependent on and / or not attributable to the will of the organizers, including the revocation of the authorization to carry it out by the competent Public Bodies, for any reason, the subscriber cannot claim anything from the Polisportiva Politecnico di Milano SSD or from other co-organizers, not even by way of reimbursement of the expenses incurred as the signing of the registration application is also valid as a waiver of any claim for compensation for damage and / or compensation and / or any reinstatement and / or satisfactory claim of any financial damage suffered and undergoing.

DECLARATION OF RESPONSIBILITY

I declare to accept all the rules published on the website <https://www.sport.polimi.it/en/events/polimirun-milano> and to be 18 years old on the day of the event scheduled for 27 September 2026.

I am aware that participating in the PolimiRun Milano 26 and/or in general to sporting events is potentially a risky activity. I also declare to register voluntarily and I take complete responsibility for all the risks coming from my participation in the event: falls, contacts with vehicles, with other participants, public or other, weather conditions, including extreme heat or cold and/or wet, traffic and road conditions, every kind of risk that I well know and I properly take into account.

Being aware of the above, considering the acceptance of my registration, I, on my behalf and in the interest of no one else, relieve and free the Organizing Committee of PolimiRun Milano 26, the Polisportiva Politecnico di Milano SSD, A&C Consulting Sas and Politecnico di Milano, as well as the Municipal Administration of Milan, the Provincial Administration of Milan, the Regional Administration of Lombardia, all sponsors of the event, the Fidal - the GGGs, their representatives, successors, officials, directors, members, agents and employees of the aforementioned companies, of all present and future claims or responsibilities of any kind, known or unknown, coming from my participation in the event. Once the registration to the PolimiRun Milano 26 is accepted, the participation fee is non-refundable, even in case of cancellation.
