

MEN'S BASKETBALL TOURNAMENT- GAME FORMULA

The number of teams for the men's basketball tournament is **16**. The teams will be divided into 2 groups of 8 teams each.

During the first stage, each team will play against all the other teams in its group in one-off matches.

At the end of the group stage, the **four teams** in each group will advance to the knockout stage.

Once the 8 teams have been established, the tournament will continue according to the following table:
