

DOUBLE OPEN PADEL TOURNAMENT- GAME FORMULA

The number of teams for the double open padel tournament is **14**. The teams will be divided into 2 groups of 7 teams each.

During the first stage, each team will play against all the other teams in its group in one-off matches.

At the end of the group stage, the **top four teams** from each group advance to the knockout stage. The ranking of each individual round is established according to the following scores:

- 3 points for each game won 2 to 0;
- 2 points for each game won 2 to 1;
- 1 point for each game lost 1 to 2;
- 0 points for each game lost.

In the event of a tie in points in the ranking, the ranking will follow this order:

- a. set difference;
- b. game difference;
- c. draw.

Once the 8 teams have been established, the tournament will continue according to the following table:
