

## Basketball 3vs3 Tournament formula

**Twenty teams participated in the 3vs3 basketball tournament, divided into two groups of 10 teams each (GROUP 1, GROUP 2).**

During the first phase, each team will play all the other teams in one-off matches.

Each game lasts 15 minutes. The clock is stopped only during time-outs.

The first team to reach 31 points wins the match. Once a team reaches this score, the game can end prior to full time.

If the score is a draw at the end of the playing time, the first team to shoot a basket wins the game.

In the first stage, the leader board will be established according to the following scores:

- 2 points for each game won,
- 0 points for each game lost.

In the event of a draw, the leadership board will take place in order:

- a. wins in head-to-head matches (in the case of three or more teams with equal points: points disregard);
- b. points difference (scored - conceded);
- c. points scored (scored);
- d. draw.

At the end of the group stage, the top eight teams from each group will go through to the knockout phase. Once the sixteen teams participating in the round of sixteen have been fixed, the tournament will continue according to the following schedule:
