REGISTRATION PROCEDURE

Registrations can be made online by following the instructions on the event website. Payment can be made by credit and debit card.

REGISTRATION CONFIRMATION

At the time of registration or near the event, each member will receive an email with the number of bib and how to collect it. This email will be the only valid document for the withdrawal of the breastplate; it will be showed to the desk together with an identity document.

In case of non-receipt of the email write to: **eventi-sport@polimi.it.**

REIMBURSEMENT OF PARTICIPATION FEE

Registration fees are not refundable under any circumstances.

END OF REGISTRATION

Online registrations will close on Friday 25 September 2026 at 6 pm or once the maximum

number of participants has been reached. Registrations after these deadlines will not be accepted. The organization reserves the right to close registrations or to accept registrations after the closing date at its sole discretion.

On Sunday 27 September 2026 ENROLLMENTS WILL NOT BE ACCEPTED.

COLLECTION OF RACING BIB/BAG

The racing bib is strictly personal, it cannot be tampered with or reduced and it cannot be given to anyone else, or you will be disqualified. The racing bib and the race pack can be withdrawn after showing the registration receipt together with a copy of the medical certificate for competitive sports (if not sent or delivered before) and a valid identity document, on the following days:

- **Wednesday 23 September 2026 from 10 AM to 6 PM**– Bovisa La Masa Campus
- **Thursday 24 September 2026 from 12 PM to 8 PM** – Leonardo Campus
- **Friday 25 September 2026 from 10 AM to 8 PM** – Leonardo Campus
- **Saturday 26 September 2026 from 10 AM to 7 PM** – Leonardo Campus

For organizational reasons, **NO racing bibs and race packs will be given to the athletes on the morning of 27 September 2026, day of the race.**

Please note: Only residents from outside the region will be able to collect the racing bib, the chip and the race pack on the morning of 27 September 2026, from 7:30 am to 8:15 am at the Village located near the start in Bovisa Campus.

The organization reserves the right to change dates and times for bib collection. Any changes will be communicated by email to each registered participant **by Monday 21 September 2026**.

At the time of kit pickup, you will receive a jersey in the size you selected during registration. Under no circumstances can the jersey received be exchanged for a different size. For this reason, we invite you to check the available size guide.

The race kit can be collected only and exclusively in the places, days and times indicated.

Together with the racing bib, every registered person will have: PolimiRun Milano official T-shirt, pins to apply the bib number to the T-shirt, ticket to be attached by pins to the bag during its storage and race pack with the sponsors products.

BAG CUSTODY SERVICE

Together with the racing bib, every participant will get an empty bag and a ticket (showing the bib number) that must be applied by pins to the bag to take advantage of the bag storage service.

The provided bag, duly numbered by the application of the ticket, will be the only bag accepted by the organization for the bag storage service and it can be delivered to the storage areas set up in the places, on the days and at the times when the bib collection

service is active, and on Sunday 27 September from 7:00 am to 8:00 at the arrival Village, Leonardo Campus.

START

The start of the race will be at 8:30 from Bovisa Campus. The organization reserves the right to organize the departure in a staggered format, forming waves based on the completion times declared during registration. Similar completion times may be grouped together in the same wave.

After August 31, 2026, it will also no longer be possible to specify your completion time during registration. Participants registered from this date onward will automatically be placed in the last starting wave.

The specific start procedures will be communicated through the official website of the PolimiRun Milano 26 and via email to all registered participants in the days leading up to the race.

Changes in the starting time will be possible in case of television needs, safety on the route or other indications from the Institutions.

TIMEKEEPING DEVICE

The measurement of time will be performed by a system based on an active transponder (chip) applied to the racing bib. It is strictly forbidden to tamper with the chip. The time of athletes that, in any way, will tamper with the chip will not be taken and they will not be shown in the race ranking.

For each participant the official competition time will be recorded. These data can be seen, in alphabetical order, on the official web site of the event.

TIME LIMIT

The time limit to arrive at km 10 is **1h and 40 minutes** (the time limit of one hour and 40 minutes is calculated starting from the passage of the last athlete under the starting arch). After this period of time, the organization will no longer be able to guarantee the right conclusion of the foot race.

HEALTH SERVICE

The Organizing Committee will prepare an appropriate medical assistance service on the route and at the start and finish line.

ATHLETE RESPONSIBILITY

The runner is responsible for the ownership of his/her racing bib, acquiring the right to use all the services mentioned in this regulation and subsequently communicated.

FINISH LINE

After the finish line, the athletes can access the final refreshment and the PolimiRun Milano 26 Final Village.

TEAM CHALLENGE FOR POLITECNICO DI MILANO STUDENTS

The students of Politecnico di Milano, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by bachelor degree courses, master degree courses, PhD and, in aggregate form, by first level university masters, second level university masters and university specialization courses. The teams are made up of students of Politecnico di Milan belonging to the aforementioned courses.

At the time of registration, each student must indicate, using the registration form, their bachelor degree course, master degree course, PhD or if she/he is a first level university master student or a second level university master student or a specialization course student.

Everyone will compete to define the largest student team; the winning team will be identified using a mathematical formula that takes into account the number of subscribers and the number of participants who have run for each team based on the actual number of registered students of the bachelor degree course, master's degree course, Phd or, in aggregate form, first level university master's degree, second level university master's degree or university specialization course.

The mathematical formula identified is the following:

(number of subscribers in the team / total number of registered students in the reference course) x (number of participants in the team / number of subscribers in the team)

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded.

In the event of a further tie, the team with the highest number of participants will be awarded.

A recognition will also be awarded to the team with the highest number of participants overall.

It is specified that "participants" means the people who walk through the starting line.

TEAM CHALLENGE FOR POLITECNICO DI MILANO STAFF

The professors and employees of Politecnico di Milano, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by Departments, Areas and Poli Territoriali (Piacenza, Cremona, Mantova and Lecco). The teams are made up of Politecnico di Milano professors/employees belonging to the aforementioned structures.

At the time of registration, each professor/employee must indicate, using the registration form, their Department, Area or Polo Territoriale.

Everyone will compete to define the largest staff team; the winning team will be identified using a mathematical formula that takes into account the number of subscribers and the number of participants who have run for each team based on the actual number of people from that Department, Area or Polo Territoriale.

The mathematical formula identified is the following:

(number of subscribers in the team / total number of people in the reference structure) x (number of participants in the team / number of subscribers in the team)

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded.

In the event of a further tie, the team with the highest number of participants will be awarded.

A recognition will also be awarded to the team with the highest number of participants overall.

It is specified that "participants" means the people who walk through the starting line.

CHALLENGE FOR POLIMIRUN MILANO 26 COMPANIES TEAMS

The employees of the PolimiRun Milano 26 companies teams, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by the companies themselves and are made up of their employees.

At the time of registration, each employee must indicate his/her company using the registration form.

Everyone will compete to define the largest partner company team; the winning team will be the company with the higher number of participants.

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded.

It is specified that "participants" means the people who walk through the starting line.

The minimum number of members per company team is 10 people.

TEAM CHALLENGE FOR POLIMIRUN MILANO 26 SPONSOR COMPANIES

The employees of the PolimiRun Milano 26 sponsor companies, by registering and participating in the PolimiRun Milano 26, agree to take part in the team challenge described below.

The teams are represented by the companies themselves and are made up of their employees.

At the time of registration, each employee must indicate his/her company using the registration form.

Everyone will compete to define the largest partner company team; the winning team will be the company with the higher number of participants.

If there is a tie, the team with the higher ratio between the number of participants in the team and number of subscribers in the team will be awarded.

It is specified that "participants" means the people who walk through the starting line.

NON-PERFORMANCE

If the race is canceled and / or, in any case, not held for reasons not dependent on and / or not attributable to the will of the organizers, including the revocation of the authorization to carry it out by the competent Public Bodies, for any reason, the subscriber cannot claim anything from the Polisportiva Politecnico di Milano SSD or from other co-organizers, not even by way of reimbursement of the expenses incurred as the signing of the registration application is also valis as a waiver of any claim for compensation for damage and / or compensation and / or any reinstatement and / or satisfactory claim of any financial damage suffered and undergoing.

DECLARATION OF RESPONSIBILITY

I declare to accept the regulation published on the web site https://www.sport.polimi.it/en/events/polimirun-milano.
